Member Profile Information

The Rocky Mountain Wa Shonaji Quilt Guild is a statewide organization representing the interests in quilt-making and fiber arts from an African American perspective. We work to promote the work and accomplishments of our members and to preserve the tradition, culture, and history of quilting. The members, though predominately of African American ancestry, celebrate ethnic diversity in membership. The Guild offers speakers, workshops, quilt shows, and a newsletter. It takes many members chairing or serving on the committees to keep the Guild growing and serving the community. We encourage you to share your talents.
